MEMORANDUM FOR: Deputy Director for National Foreign Assessment

FROM: Director of Central Intelligence

SUBJECT: Intelligence Assessment on Foreign Efforts to  
Develop Electric Vehicles in the 1980s

1. The intelligence assessment on electric vehicles is very good. Please compliment those responsible for me.

2. I seem to remember we did a similar one on robotics which I didn't get around to reading. If we have done one, I would like to see it.
